

REMARKS

With the previous Reply to Office Action (mailed by Applicant on February 17, 2005), an Information Disclosure Statement was submitted with three sheets of Form PTO-1449. The present Office Action attached the first two sheets with Examiner's initials by the listed references. However, the third sheet submitted by Applicant with the IDS was not attached to the present Office Action. The Patent Office records (PAIR) indicate receipt of the third sheet of the Form PTO-1449 by the Patent Office (see attached PTO-1449 sheet bearing PTO date stamp of February 22, 2005). Applicant respectfully requests that the Examiner initial the third sheet of the Form PTO-1449 by the listed reference.

In the Office Action dated June 6, 2005, claims 1, 2, 6, 7, 9-18, 22, 23, and 26-28 were provisionally rejected under the judicially created doctrine of obviousness-type double patenting over U.S. Patent Application Serial No. 09/967,615.

Claim 1 has been amended to improve its form. The clause "from the embedded OS based computer" at lines 6-7 has been deleted since it duplicates the same clause at line 5. The article "the" has been added at line 7. These amendments do not narrow the scope of claim 1.

Claims 26 and 27 have been amended to improve their form.

The present Office Action provisionally rejected claims of the present application under the judicially created doctrine of obviousness-type double patenting over claims of U.S. Patent Application Serial No. 09/967,615. Since the current status of U.S. Serial No. 09/967,615 is abandoned, withdrawal of the provisional double patenting rejection is respectfully requested.

Appln. Serial No. 10/039,049
Amendment Dated July 27, 2005

Respectfully submitted,
